## Borg & Overström Totality™

Driven by a relentless pursuit of excellence, Borg & Overström Totality™ is a research and development methodology for the advancement of hygiene, innovation and technology in refreshment systems.

**Ultra-violet sterilising system**  
For added hygiene confidence, appliances can be fitted with Viovandit™ – an ultra-violet sterilisation process that reduces water-born bacteria.

**Laboratory certified 99.999% bacteria-free**  
Every Borg & Overström appliance undergoes an anti-microbial, antipathogen, sanitising procedure. The reassurance of hygienically safe appliances is provided by the unique bacteria-eliminating process, Sterizen™.

Beautifully  
refreshing.
